

Composite Decking, Cladding & Accessories

2018 TRADE Price list

WHY ECOSCAPE COMPOSITES?

Ecoscape offer a wide range of FSC® certified extrusion and co-extrusion (capped) composite products in the form of durable attractive and reliable decking, cladding and balustrades.

With a combination of both reclaimed wood fibres and recycled HDPE this synthetic product eliminates the drawbacks of 100% timber and 100% PVC products whilst bringing many more additional benefits;

LOW MAINTENANCE

SPLINTERFREE, NATURAL LOOK & FEEL

ANTI SLIP SURFACE

UV, SCRATCH, STAIN & ROT RESISTANT

EASY TO USE HIDDEN FIXING SYSTEMS

WIDE RANGE OF BALUSTRADE OPTIONS

DUAL SIDED BOARDS

12 COLOURS TO CHOOSE FROM

95% RECYCLED MATERIALS

20 YEARS + WARRANTY

CARRIAGE

Mainland UK shipping is priced zonally - All pallets are processed on a two-day delivery unless specified otherwise, please contact if you require next day delivery which incurs an additional charge of £25. All pallet deliveries are organised to arrive between 8am and 1pm at no extra charge. If an order is placed after 12am on Friday, or on Saturday or Sunday then the delivery day is Wednesday. For Scotland and the Scottish Highlands, Northern Ireland and the Isle of Man delivery takes between 2-3 days. Unfortunately, we cannot arrange deliveries to Ireland or Jersey and Guernsey but if you choose organise your own courier to collect from us and deliver to your location then this can be organised, please contact us directly to arrange. We are able to book Saturday deliveries however, these incur an additional £15 cost (on top of any zonal charge). If you require a Saturday Delivery please contact us to arrange.
